**To the left, you'll see the cellar door locations of the wineries you have discovered today - but there are many other cellar doors to wander out to in the Geographe region.**

**In fact, the region is home to 26 wine producers, 57 grape growers and 36 different grape varieties, and is the most diverse wine region in Western Australia.**

**Taking its name from Geographe Bay, our region wraps around the coastline extending from Harvey in the north, southwards through Bunbury and Capel to Busselton, and eastwards to encompass Ferguson Valley, Donnybrook and the Preston River.**

**For more information on exploring the beautiful Geographe region and its exciting wineries, visit [www.geographewine.com.au](http://www.geographewine.com.au) or search for "Geographe Wine" on Facebook or Instagram!**

**GEOGRAPHE**

# EXPLORE BUNBURY TASTE GEOGRAPHE!

The Geographe is the most diverse wine region in Western Australia. Grape varieties from Italy, France, Spain, Portugal, Germany, Hungary, Croatia and Georgia are all grown right here in our wonderful Mediterranean climate and fertile soils.

The Wine Wander series celebrates our world class Geographe wines while showing off the great bars and restaurants around the beautiful city of Bunbury.
